

May 28, 2007

Dear Parents/Guardians of 2007-08 juniors and seniors:

Please join us on Monday evening, June 4th to hear about our high school/early college program. As we continue to transition to offering more college courses and providing opportunities for our students to take courses off campus, we want you to be aware of the requirements and responsibilities associated with this privilege. This will be an opportunity to gather details about Holt course requirements, college course opportunities and planning, graduation credit requirements, and scheduling challenges. Linda Frost, an Aspire Vice-President, will be present to clarify the specifics of our Early College model and answer any questions that you may have.

6:00 p.m. for incoming juniors and their parents

7:00 p.m. for incoming seniors and their parents

I would suggest that you send a representative if you are unable to attend. Parents will be asked to take home and review a Family Compact with explicit expectations, academic supports, attendance requirements, parent involvement and parent support.

If you have any questions in regard to this presentation, please call the office or e-mail me at gretchen.salvetti@aspirepublicschools.org

Sincerely,

Gretchen Salvetti
Principal
