ALL VISITORS, VOLUNTEERS, ANYONE WHO ENTERS THE SCHOOL MUST SIGN-IN
at the school office and wear the identifying badge while in the school

This Week

Exhibition Week: Early dismissal (12:35 p.m.) all week. Please be sure to pick up your students on time. Students on campus after school must report to University Hall (multi-use room) for supervision. Thanks to the parents who volunteered to judge. Taking the time to assist makes this a more valuable process for all concerned. Thanks to the teachers who oversee the exhibitions. It is a HUGE time commitment and I am most grateful that they are willing to devote the time to assist the students during and after school. You rock!

Book Fair: Check out the books on the stage in University Hall. Your support will help to establish our library. It will be open until about 2:00 p.m. and longer if parents are available for staffing it. It will also be staffed during the Community Council meeting on Thursday, beginning at 6:00 p.m.

Valentine's Day: Candygrams will be distributed by the Student Council. They were purchased last week.

Community Council Meeting: Thursday, February 15th, 6:00 p.m., University Hall. Please join us and help with the decision making. Currently 5-10 parents are working incredibly hard and giving input for the entire parent community. We need your help

Scholarship Meeting: Friday, February 16th, 5:00 p.m. Senior families should come to hear about the completions of scholarship applications for college.

Looking Ahead – Mark your Calendar
