WASC – Western Association of Schools and Colleges – Accreditation scheduled for next year. Looking for some parents interested in participating. You will need to meet once or twice a month over the next year to help with the preparation of the document. Please send an e-mail to Gretchen Salvetti if you are interested.

Reenrollment forms were due in the office on February 16, 2007. If the form was not returned, we will assume that your child will not return for the 2007-08 school year.

Summer School – Summer School will cover the second semester portion of algebra, geometry, biology, and chemistry. If your child has failed the first

quarter of the second semester of any of these subjects placing him/her in jeopardy of failing the semester, he/she will be required to attend summer school to ensure reenrollment next year. Letters will be sent out soon with details regarding the requirements. Summer School will begin on Monday, June 18th, 8:00 – 1:30, Monday through Thursday, for the first two weeks. The 4th of July is a holiday during the third week, so students will finish that week on Friday.

Substitute Teachers – We have an urgent need for qualified substitute teachers. The pay is excellent. Please contact Connie Barretto, our office manager, if you know of anyone who may be interested.

Parking Lot – My favorite topic! We continue to look for ways to improve the traffic flow. Your patience in helping us work through the confusion will be greatly appreciated. Remember, you are saving lives! Thanks.
