It's all about the Bobcat!

30 Hour Famine – Participants in the 30 hour famine must return their permission slips by Tuesday. We are requesting donations of water and juice for the students. Please drop off any donations to Mr. Chan in Room 145.

Community Council – We are grateful for the many ways in which the Community Council supports our school and activities. Four cement benches have been purchased to place in the quad. In addition, they have purchased

license plate frames to sell in support of graduation activities, and are busy spearheading the Car Show and Carnival. A very small, but mighty, group does the work of a huge group. Just imagine what could be done with a large group of parents. Please come and join us at the May meeting.

Summer School – Summer School will cover the second semester portion of algebra, geometry, biology, and chemistry. If your child has failed the first quarter of the second semester of any of these subjects placing him/her in jeopardy of failing the semester, he/she will be required to attend summer school to ensure reenrollment next year. Letters were recently sent with details regarding the requirements. Summer School will begin on Monday, June 18th, 8:00 – 1:30, Monday through Thursday, for the first two weeks. The 4th of July is a holiday during the third week, so students will finish that week on Friday.

Substitute Teachers – We have an urgent need for qualified substitute teachers. The pay is excellent. Please contact Connie Barretto, our office manager, if you know of anyone who may be interested.

If you know of families who would be interested in receiving this notice, please ask them to send their e-mail address to
